

What does GP+ look like? – Pricing

If you wish to purchase GP+ the prices are as follows

Practice buying direct	£25 per month plus VAT
Accountant (1-2 Licences)	£25 per month plus VAT
Accountants version (3+ Licences)	£22.50 per month plus VAT

All are charged for a year in advance and are based on NHS years (to March)

Your first licence setup is free for 30 days with nothing disabled so you can try the software yourself and see the benefits first hand.

Support, setup and training packages are also available and are priced on an individual basis depending on need.

The App can also be used by accountants for bookkeeping or for posting on behalf of clients (to help with the year end processing of accounts).
